## **HB 219 - SB 356**

February 15, 2001

**SUMMARY OF BILL:** Specifies that a motor vehicle registered in the names of or leased by both a disabled veteran and the veteran's spouse is eligible for the free registration and license plates provided for under current law for disabled veterans.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - Not Significant**  
**Decrease State Revenues - Not Significant**

Estimate assumes the state will experience an increase in expenditures for the cost of additional plates and a decrease in revenues from registration fees that may currently be collected for jointly owned vehicles. The impact is estimated to be not significant as it is expected that there are few qualified individuals not already receiving the free disabled veteran plates.
